Hillings Hits Hard At Narcotics In Truckee Address

Congressman Impressive In Campaign Address At Luncheon

Congressman Pat Hillings of Arcadia Tuesday urged Secretary of State Dulles to place the illegal narcotics trade on the agenda for forthcoming talks between the U.S. and Red China.

Speaking before a small but enthusiastic audience at Donner Lake Lodge Tuesday at a noon luncheon, Hillings launched his campaign for attorney general of California here in his native Nevada County, reminded Dulles in his communication that Red China is the major source of narcotics which is causing 50 per cent of California's high crime rate.

Hillings was introduced by Hal Welch, his Nevada County campaign chairman.

The candidate was accompanied by his wife, Phyllis and his public relations director, Frank Kuest. They were met in Reno by Welch who returned them to Truckee for the meeting.

Sheriff Wayne Brown represented county officials at the meeting and Mr. and Mrs. Ralph Schorr of Nevada City were here as representatives of the Republican County Central Committee of which Schorr is chairman.

Planned Destruction

"Communist China is plotting the destruction of the United States through illicit narcotics," Hillings said. "There is ample evidence of this in the investigations made by congress and the federal narcotics bureau, headed by Commissioner Harry J. Anslinger."

Hillings proposed to counteract the transit of communist dope by strengthening, reorganizing and expanding the state narcotics bureau and by closer liaison with federal authorities.

He also urged stronger state laws as a major approach to narcotics trafficking and addiction in California.

Hillings said that the same pioneering spirit that "gave birth to California's future right here in this gateway to greatness" must be revived to insure the state's destiny of becoming the most influential, productive and desirable area in the nation.

Hillings, who was born in nearby Hobart Mills, the son of a railroad worker ,predicted that "this very area will become the showcase for good international relations when the 1960 winter Olympics are held at Squaw Valley.

"There will be more done here through the traditional hospitality of the men and women in this mountain empire to foster goodwill among nations than all the international conference tables combined."

Lands Olympics

Hillings said the 1960 winter olympiad will bring a new era of prosperity to the Squaw Valley area because "it will become a worldwide recreational mecca."

The candidate for attorney general left here immediately after his kickoff rally for Sacramento, from where he will campaign intensively throughout Northern California.

WYETHIA CLUB WILL HOLD FALL SESSION

The Wyethia Club of Truckee will hold its first fall meeting at 8 p.m., Friday, Sept. 19 at the club house on West Riverside Drive.

A special treat is in store for those attending. Mrs. John Wolert, a past president of the group, will show pictures taken by her and Mr. Wolert during the seven months they spent traveling and visiting in Germany, Austria, Jugoslavia, Greece, Switzerland, France and England.

Members are urged to bring guests. Prospective members and newcomers to the community are welcome to attend.

Z MARKET PICNIC IS HELD AT DONNER

The annual picnic of the Z Markets personnel was held Sunday afternoon at Donner Lake, including 52 managers, employees and their families from the Greenville and Truckee stores.

Water sports were enjoyed, followed by a bountiful steak barbecue.

SAFE HUNTING CLASS FOR BOYS ON SAT.

Boys between the ages of 12 and 16 will not be issued a hunting license unless they can produce a National Rifle Association certificate.

Deputy Sheriff Emery Lander this week asked all boys who plan to hunt to register at Bud's Sporting Goods Store immediately so they can take the NRA course which will be provided Saturday afternoon at 2 o'clock at the Veterans' Memorial Building.

Instructors for the course will be Lander, Game Warden Erv Single, Deputy Sheriff Roger Johns and H. L. Owens. There is no charge for the instructions or certificate.

500 Registered At High School; New Record Is Reached

When classes opened at the Tahoe Truckee High School Wednesday, there were more than 500 students registered, exclusive of the seventh graders from North Tahoe who this semester are attending classes at Kings Beach.

When the present construction program is completed, these 7th graders are scheduled to return to the high school.

Superintendent John Corbin said that until construction of the new buildings is completed, there will be some shifting of classes and crowded conditions but this will not affect the high educational standards set by district schools.

Dynamite Stolen At Denney Plant

Investigation by sheriff's deputies is continuing into the reported theft of several cases of dynamite from a storage room at Denney Logging Company.

Deputy Sheriff Roy Waters said attention to the theft was called by Claude Harrison, yard foreman at the company's plant west of Truckee on the Truckee river.

Since the storage box had not been checked since April or May, Harrison was unable to tell the officers how many cases were missing. It had held 48 cases and 33 were counted and some probably had been used.

The storage box contained no detonating devices. Due to recent rains no tracks were found near the storage room and no fingerprints were found.

Lake Chamber To Hold Meet Friday

The regular fall meeting of the Lake Tahoe Sierra Chamber of Commerce will be held at noon September 12 at Brockway Hotel and Fred Schultz, president of the chamber is urging a full attendance of members as well as potential members.

There are many projects facing the chamber during the coming year and these will be discussed as well as a review of activities of the past year.

"Lake Tahoe people must unite and protect themselves from deterioration and destruction at the hands of a few strong, well organized selfish people," Schultz declared, in calling attention to the importance of the meeting.

WSCS TO HOLD SALE AT CHURCH SEPT 17

A rummage sale will be held September 17 and 18 in the basement of the Community Methodist Church by the members of the W.S.C.S.

All donations of good, clean, usable clothing and household articles in good repair will be gratefully received. Please call LUther 7-3603 for pick up.

DONNER LODGE ASKS FOR INCORPORATION

SACRAMENTO —(CNS) — Secretary of State Frank M. Jordan announced the Donner Lake Lodge, Inc., has filed articles of incorporation with his office, to be capitalized at $475,000 in $1 par shares.

The firm listed its directors as Hal and Olga Welch, of Truckee; and Hugh Brown of Grass Valley.

YOUTH NABBED FOR TAMPERING WITH CAR

A 17 years old boy was arrested Tuesday and charged with petty theft after admitting, according to Deputy Sheriff Emery Lander, that he took parts on a Model A car stored at the county's barn. Similar thefts have been reported and officers are on the trail of other culprits, Lander said.

LAST RITES HELD FOR AMELIA MIRRATTI

Last rites were conducted by Rev. Paul Roswog September 6 in Assumption Catholic Church for Mrs. Amelia Mirratti.

Pall bearers for the well known Truckee woman were Victor Salvaterra, Mike Bimbo, Frank Fabrini, Jerry Zunino, William Masagli, and Ernest Siri.

The Truckee Colonial Mortuary had charge of arrangements.

New Street Lights Being Installed On Commercial Row

Ten Standards Will Shed Light Over Truckee Main Street

Crews from the Truckee Public Utility District this week are erecting ten new electroliers along the main business thoroughfare.

The new standards will replace the eight old ones which were removed when the district and telephone company removed the old utility poles from the main street more than a year ago.

C. M. Dorr, superintendent for the district, said the new standards will be 30 feet in height and will extend in an arch 12 feet over the street and will be of the latest and most modern design.

The iron poles will be set in pyramid concrete bases which have been constructed along the sidewalk and the wiring will come from underground cables. The entire unit will be painted and should add materially to the appearance of the street.

The overall plan by the district calls for extension of the lights along Donner Way to beyond Meadow Park when possible.

The district installs and maintains the lighting system as well as providing the electricity, a rather unusual but needed service to the community.

Registrations For Voters Ends Today

For the benefit of those who have found it impossible to register to vote during office hours, Mrs. Eve Hallett, deputy registrar, announces that she will keep the office of the Truckee Public Utility District open between 7 and 9 p.m. tonight to accommodate prospective voters.

Today is the final date for qualifying for the November general election and everyone is urged to be properly registered for the occasion.

Mrs. Hallett was recently appointed by County Clerk John T. Trauner to replace Mrs. Cecil Edmunds as local registrar.

MISS BARBARA KEMP WILLIAM GRIMM WED

Mr. and Mrs. William W. Grimm have returned to Truckee from a honeymoon at Carmel and are now living in their home at Donner Lake.

Mrs. Grimm, nee Miss Barbara Kemp, for the past three years a commercial training instructor at Tahoe Truckee High School, and Grimm, a local licensed land surveyor, were married in Mill Valley August 21. The wedding, attended by close friends and family members was solemnized in the Mill Valley Presbyterian Church.

Mrs. Grimm, who has resumed her profession at the high school studied this summer at the University of Denver for her masters degree.

Mrs. Robert Krohn, whose husband is employed here during the summers, was matron of honor at the wedding ceremony and the bridegroom's brother, Kenneth of Fairfield, was the best man.

LIGHT RAIN FAILS TO END FIRE HAZARDS

The .24 of an inch of rain which fell in Truckee area Sunday evening did little to diminish the existing fire hazard and forest service officials are keeping a watchful eye on the area.

Brisk winds which have prevailed not only completely dried out the moisture, but have increased the fire danger to a maximum and all persons are warned to use extreme caution with fires, lighter cigarettes and other potential forest fire starters.

THOREAU INSPECTS SQUAW ACTIVITIES

H. D. Thoreau, executive secretary for the California Olympic Commission, spent Monday and Tuesday in Squaw Valley inspecting progress being made for the 1960 Winter Games.

The visitor was a special guest Tuesday at the luncheon at which Congressman Hillings started his campaign for attorney general of California.

Mr. and Mrs. Jess Zimmerman and son Tom are leaving today to return to Healdsburg.

SUNBEAMS

By WALTER M. BARRETT

Those who heard Congressman Pat Hillings open his campaign for attorney general of California Tuesday could not help being impressed with his forthright approach to the narcotic problem in the United States and particularly in California, where 60 percent of the major crimes are traced directly to narcotic traffic. The speaker expressed the opinion of the majority, we believe, when he emphasized the fact that proposed clinics and coddling of addicts would only encourage, rather than deter, users. More stringent laws, especially designed to protect the youth of the state, and strict enforcement, with severe punishment, as proposed by the congressman, sounds like good sense. Fortunately in so-called "cow counties" like ours, this evil is at a minimum, but if allowed to grow as statistics show it is doing, the problem may well develop even in rural areas. The sincerity which characterized the talk compelled us to believe that if elected, Hillings will find a way to bring a halt to this menace.

Several times in the past we have discussed the illegal use of air rifles by youngsters, whose parents apparently paid little heed to the warnings. It is quite apparent that the practice has not been stopped and the diminishing song bird, shattered windows, wounded small animals, all attest to the fact that the violation, both legal and moral, is continuing. Boys have a perfect right to use these weapons in a safe, legal manner and we would be the last to deny this right, but the continuing shooting of birds and pets can lead only to serious trouble and this we would like to avoid.

Football Squad To Play On Saturday

Local football fans will have an opportunity to see the Wolverines of Tahoe-Truckee High School in action when they play the Yerington team Saturday, Sept 13 at 2 p.m., on the local field, the first game of the new season, Coach Stan Drakulich, announced on Tuesday.

Due to construction work being done in the vicinity, the entrance to the field will be on Highway 89, northwest of the underpass, with a corp of California Cadets on hand to direct traffic.

Admission to the game will be $1 for adults and 25 cents for children.

INITIATION WILL BE OES MEET HIGHLIGHT

The second meeting of the Eastern Star for September will be held Tuesday in the Masonic Temple, Lillian Miller, worthy matron and Dan Anderson, worthy patron presiding. There will be an initiation of two candidates. Victoria McIver is chairman for the evenings refreshments.

The Hope Assembly of Rainbow for girls will put on a dinner preceding the O.E.S. meeting. All Eastern Stars and families as well as the Masons are invited to attend this dinner. Reservations should be made.

SERVICE OFFICER TO BE HERE ON FRIDAY

A representative from the Nevada County Veteran's Service Office will be in Truckee on Friday, September 12, 1958 between the hours of 10 a.m. and 3 p.m. Anyone desiring to avail themselves of these services may do so at the office of Justice Fosten W. Wilson, Justice Court, during the hours indicated.

Olympic Official Announces '59 Ski Events For Squaw

Games Are Scheduled At Valley In February And March

Willy Schaeffler, director of ski events for the 1960 Olympic Winter Games, today announced the proposed schedule of events for next February's North American Alpine and Nordic ski championships.

These championships will be staged through the coordinated effort of the recently formed California-Nevada Ski Club in conjunction with the Far West Ski Association, The National Ski Association of the United States and The Organizing Committee - VIII Olympic Winter Games.

Considered the dress rehearsal for the 1960 Olympic spectacle, the North American Ski Championships will begin on February 21, 1959, conclude on March 2, 1959, and will be composed of all alpine and nordic ski disciplines. Being held concurrently will be four invitational speed skating races. All of the ski and skating events in next February's ten-day program will be staged over official Olympic courses, cross country terrain and ice rinks.

Top competitors from the United States, Canada and several European nations will arrive in Squaw Valley around the middle of February to train for the following schedule of events:

February 21, men's giant slalom, KT-22 Mountain.

February 21, ladies' giant slalom, Papoose Peak.

February 22, men's Slalom, KT-22 Mountain.

February 22, ladies' slalom, Papoose Peak.

February 23, men's downhill, Squaw Peak.

February 23, ladies' downhill, KT-22 Mountain.

February 26, 20 km biathlon, McKinney Creek.

February 28, 30 km cross-country, McKinney Creek.

February 28, 500-m speed skating, Squaw Valley.

February 28, 5,000-m speed skating, Squaw Valley.

March 1, 1,500-m speed skating, Squaw Valley.

March 1, 60-m combined jumping, Papoose Peak.

March 1, 10,000-m speed skating, Squaw Valley.

March 1, 80-m special jumping, Papoose Peak.

March 2, 15 km combined cross-country, McKinney Creek.

VETERAN LOCAL CHEF HONORED AT PARTY

Kim Sang Cheng, a Truckee chef since 1948 and widely known throughout the community, has retired and left on a trip to Honolulu and Hong Kong.

As a gesture of the esteem in which he was held, fellow employes at Smart's and Goodfellows last Tuesday honored Kim at a farewell dinner and presented him with a set of travel luggage.

Kim had been employed by Reg Smart for 14 years and for the past three years was chef at Smart's.

Replacing the veteran chef is Charles Modl who was chef at Goodfellows for two years before going to Mare Island where he has been in charge of the cafeteria. Mrs. Modl and the family plan to move here to reside.

REBEKAH MEMBERS AT PORTOLA MEET

A delegation of members of Naomi Rebekah Lodge, No. 2 made a visit, Sept. 5 to Rebekah Lodge No. 339 at Portola.

Included in the group were Mesdames W. D. Davis, Erwin Single, O. J. Rablin, M. Avila, C. Gross, Ben King, C. Z. Smith, and Chas. Vind.

FORMER TAHOE GIRL MOTHER OF NEW SON

Mr. and Mrs. George Tiffee who recently moved from Tahoe City to Belmont have written of the arrival of their grandson, born to Mr. and Mrs. Kenneth Bruce, September 2 at San Jose.

The mother is the former Blodwyn Tiffee and the many friends of the family are pleased to learn the news of the little boy.

Mr. and Mrs. John Bruce are the paternal grandparents.

Returns After Visit—

David Thompson of Los Angeles has returned to his home in Los Angeles after spending two weeks vacationing here with his grandmother, Mrs. Emma Elliott.

Buck Stew Plans For September 28 Progressing Here

With the three queen candidates, Janice Notley, Renee Hall and Barbara Nelson, apparently running a close race for the honor of presiding at the annual free buck stew on September 28, Charles V. Osburn, committee chairman, says indications are that the event will set a new attendance record.

The affair is sponsored by the Truckee Outdoor Sportsmen and will be held at Capitol Hall and everyone is invited. Since the program will be held just a week after the opening of deer season, hundreds of hunters will participate.

As usual, Mr. and Mrs. Johnny Ciardella of the Capitol will officiate as chefs and an abundance of venison, with the usual trimmings will be dished out by a staff of assistants.

Merchants, as well as the Sportsmen are contributing to the program.

Guests Routed By Fire At Hotel Here

Some 25 guests at the Donner Hotel fled the structure at 3:30 a.m. Tuesday when a fire broke out in the women's rest room.

Fire Chief N. F. Dolley said the hotel filled with smoke and made it impossible for the firemen to locate the source for nearly an hour.

It was finally found that someone had carelessly tossed a lighted cigarette into a waste paper container in the rest room. The fire was confined to that room where the walls were scorched, but no material damage done, Dolley said.

OSBURN WILL SHOW PICTURES AT MEET OF SPORTSMEN HERE

At a meeting of the Truckee Outdoor Sportsmen tomorrow night at Capitol Hall, Clarence Osburn, who recently returned from a vacation jaunt to Alaska will project colored slides of interesting pictures which he took. The Osburns went as far north as Point Borrow and the pictures of the trip up the Alcan Highway are sure to provide interest.

They include shots of big game, fish-filled lakes and streams, forest fires and many other highlights of the trip.

Members and guests are invited. Frank Fox, the organization's president, will preside.

BILL STRICKLAND IS VICTIM OF ACCIDENT

Bill Strickland, Soda Springs ski instructor and part-time correspondent for the Sierra Sun, is in the Tahoe Forest Hospital with both bones in his lower right leg broken as a result of an industrial accident last Friday.

Strickland was engaged in clearing the right-of-way for the new road going into Squaw Valley when in some unexplained manner a huge stump being pulled by a tractor flew through the air and struck him, hurling him through the air and landing him on his head.

He hopes to be sufficiently recovered to be able to do his usual share of skiing and instructing when the snow arrives and friends are hopeful for a speedy recovery.

NERONDE STUDENTS FAIR ATTRACTION

TAHOE CITY — Mr. and Mrs. John Neronde left Tahoe City to return to Sacramento. Ninety-two of the Neronde School of Accordion performed at the Sacramento State Fair.

The talented musicians were started under the leadership of John Neronde and now the couple's son, Joseph, teaches the large group.

TRAINING COURSES FOR SCOUT LEADERS

Two training courses of interest to adults interested in Brownie Scouting will be offered in Reno with the first session being held Wednesday, September 17. This course is for leaders, prospective leaders, troop committee members and any other adult interested in girl scouting. Further details and registration forms can be obtained from Mrs. Dave Rose, Truckee Neighborhood chairman.

One Killed, Three Hurt In Crash Of Plane On Highway

Light Plane Overturns On Freeway At Farad Wednesday

One man was instantly killed and three others hurt, one critically in an airplane crash a mile east of Farad at 5 p. m. Wednesday.

The pilot, Gerald Elmer Cirby, 27, Daly City, is dead and the owner of the light plane, Jerome M. Maher, 31, South San Francisco, is in critical condition in a Reno hospital. Other passengers, Robert J. Harrington, 32, and Floyd Phipps, 33, both of South San Francisco are in the Tahoe Forest Hospital with lesser injuries.

Sergeant Frank Snyder of the California Highway Patrol, said his investigation indicated the Piper PA22 traveling west ran out of gas. The pilot apparently attempted to land on the new freeway, but missed his mark by 50 feet. The plane hit 50 feet north of the road and overturned onto the highway.

A motorist, Thomas Napier of San Francisco was driving 250 feet distant from the scene of the crash and aided in freeing the men from the wreckage. No fire resulted.

The body of the pilot was taken to the Truckee Colonial Mortuary.

Butterfield Named On Olympics Staff

Gordon Butterfield, former managing editor of the Tahoe Tattler, has joined the public relations department as press representative for the VIII Olympic Winter Games at Squaw Valley in 1960, Prentis C. Hale, president of the organizing committee, announced.

Butterfield, 34, will assist Public Relations Director Jack Geyer in informing the public and winter sports organizations of construction progress and in preparing transmission equipment and housing for several hundred domestic and foreign media representatives.

Additionally, Butterfield will aid in the operation of the three press centers for the 1960 winter games: the press building, the press box in the 11,000-seat ice arena, and a press headquarters still to be named.

Butterfield was raised and educated in Seattle, Washington, having received his degree from the University of Washington. He also completed graduate studies at Washington, and Lewis and Clark College in Portland, Oregon. He also served as a physical education instructor and ski coach at Lewis and Clark.

He was a teacher and athletic coach at Tahoe-Truckee High School from 1952 to 1956. During that same period, Butterfield served as an administrator of the Tahoe Truckee Unified School District school recreational ski instructional program. He is a certified ski instructor of the Far West Ski Instructor's Association and has been a Class A competitor in skiing since 1946.

An avid ski enthusiast, Butterfield has served as chief of courses for the 1956 National Alpine Championships at Squaw Valley, chief gate keeper for the 1957 North American Ski Championships at Squaw Valley, and course setter for the NCAA championships at Mt. Hood, Oregon in 1951.

He has been a member of the Squaw Valley-Lake Tahoe Ski Club for the past seven years and has variously served as president, vice-president, board member and race chairman.

Butterfield has been married since 1952. He and his wife, Patricia, have a daughter, Catherine, 20 months.

TEACHER RECEPTION PLANNED BY P. T. A.

A reception for the teachers will be combined with the first fall meeting of the Truckee Elementary School P.T.A. to convene at 8 o'clock, September 15. Mrs. Roy Saarni will preside and welcome newcomers to the community.

All parents and others interested in the program are cordially invited to attend, Mrs. Wilber Glenn announced.

McATEER RELATES LAKE TAHOE RESCUE

Eugene McAteer, former San Francisco supervisor, related he and his son, Tom, 16, rescued a Southern California man and four children in a Lake Tahoe boating accident Wednesday.

They saw a 12 foot power boat flip over and throw its five occupants into the water near Meeks Bay.

The McAteers sped to the scene in their boat and rescued Richard West of Glendora, Los Angeles County, and the four youngsters, ranging in age from 7 to 15.

There were no life jackets aboard the overturned craft and the five clung to their sinking boat until McAteer and his son effected the rescue.

Happy Day—

Merrill Englehart was honored at a family party on his 16th birth date, September 3.

Facts Pointed Out In Water Problem

The California Compact Commission has prepared a booklet entitled "Lake Tahoe Faces Water Problems" which provides factual information regarding the current controversy over the waters of the mile-high lake.

The booklet points out that although Tahoe is a natural lake, the waters are controlled by a dam first built in 1870's under the authority of the California legislature. The first recorded diversion of the waters from Tahoe for irrigation was in 1858.

The lake provides usable storage of approximately 720,000 acre-feet and is stored between an elevation of 6223 and 6229.1 feet above sea level and provides for irrigation and power in Nevada.

The United States claims the right to store in Lake Tahoe and to release into the Truckee river for reclamation project use in Nevada, a maximum of 3,000 cubic feet per second of flow with a priority of 1903.

This claimed right is based on a notice of appropriation posted by the United States at the site of present outlet on May 21, 1903 and is confirmed in the Truckee River decree of 1944.

Remote Control

Neither California, Nevada nor the littoral land owners around the lake are parties of that decree.

Lake Tahoe outlet gates are operated by the Truckee-Carson Irrigation District, acting as agent for the U. S. Government, as provided in the Truckee River Decree and a 1915 federal court decree in condemnation by which the United States secured control over the outlet works from the power company which previously owned them.

The upper permissable limit of the lake level, 6229.1 feet above sea level, which was set by the Truckee River agreement and incorporated in the Truckee River decree, has been reached or exceeded seven times since 1900. Studies by the U.S. Army engineers indicate that direct damage to shoreline and docking facilities begins at an elevation of 6227.5 feet, with significant damage occurring when the lake reaches 6228.0 feet and greater damage at higher elevations.

Septic Troubles

Another problem is for those with homes or cabins adjacent to the shoreline where septic tanks from flooding during high water is serious.

People around the lake, too, are as apt to suffer from low water as from high. The California Commission, the booklet says, is aware that some lakeshore landowners would object to the lake being lowered below the present allowable minimu mof 6223 feet.

Preliminary figures compiled for the California-Nevada commission indicate that from 1948 to 1956 the permanent population of the California side of Tahoe has doubled and that the number of visitors during the same period also has doubled. The transient population was estimated at 50,000 during the summer of 1956.

Water Deficiency

"Here is a lake with more than 122 million acre feet of water— 720,00 acre feet of it in the top six feet," the booklet says. "It would appear that this tremendous volume of water— nearly 28 times the amount of water in Shasta Reservoir— could adequately supply any size population which might develop in the Tahoe Basin. And well it might, if all this water was available for the exclusive use of the basin. Yet, as a result of the studies that have been made on this problem, it is the considered opinion of the California Commission that Lake Tahoe is a water deficient area."

Possible Solutions

The many problems are being studied closely by the commission and the possible solutions being examined are:

1. Water storage at other sites to allow lowering Tahoe levels.
2. Cutting the outlet rim of the lake, lowering both the upper and lower surface limits about a foot.
3. Salvaging water by reducing downstream and canal losses, thus permitting a reduction of Tahoe storage to an equal amount.
4. Purchasing and abandoning of certain water rights to use Tahoe water.
5. A combination of two or more of the above methods.

LINDSAY SUPPORTED ON WATER PROJECT

Appearing before the Yuba County Water Resources Board as a representative of Nevada and Placer Counties, Assemblyman Francis C. Lindsay won full support on his appeal that the irrigation needs of these two counties must be included in any development of the Yuba River.

Lindsay stated to the board, "Yuba County has made great strides toward a development on the Yuba River; however, any development on this river is complicated by the fact that it rises in Placer County, Nevada County, and Sierra County, all of which have a primary interest in the river and all of which have to have some of its waters for irrigation."

Assemblyman Lindsay outlined the procedure that was used in forming the Placer County Water Agency and urged that the Yuba County Water Resources Committee adopt a similar agency and recommend that the board of supervisors serve as the board of directors. Assemblyman Lindsay also outlined in detail Nevada and Placer counties' interest in the development of the Yuba River.

At the close of the meeting, the Yuba County Water Resources Board recommended to the supervisors that they form a county-wide water agency, that they act as board of directors of the agency, and that in the interim period between now and when the legislature convenes that they appoint an irrigation district to act in their behalf to get the project underway immediately.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Weather

After a delightful week, a refreshing thunder storm hit the area Sunday afternoon and quite a rain caught the golfers in the tournament and put them on the run.

Golf Tournament

It was quite a gala scene on the Brockway Golf Course this last weekend with many celebreities taking part in the tournament — under the auspices of the casinos of North Tahoe. Gordon McCrea was one of the players and a large gallery followed the participants.

Accident

We were very sorry to hear of the accident of Mrs. Malla of Kings Beach. She accidently tripped over a log in their driveway— having been frightened by a dog at night. She is in St. Mary's Hospital in Reno suffering a fractured hip— which had to be operated upon. We are very sorry to hear this, as Mrs. Malla has been most active for her age. Her son Ned and two daughters have been staying with her at the hospital.

Sad News

We were sorry to hear of the passing of Tex Jones who expired August 25. After the funeral, his wife left for Palm Springs where she will stay for some time.

Sold

Now we hear that the Bud Polzins have sold their property in Kings Beach and have purchased a beautiful lot on Pine Cone at Incline Beach. We are happy to hear of the sale.

Big Party

There was quite a gathering at the Ashton residence last week including Dave's sisters, Virginia Solberg and Rosalie Pappas, her husband Bill and two children, Penny and Peter, from San Jose; Jean and Charlie Fletcher and daughter Trudy of Pasadena; Mr. and Mrs. Duncan Holmes and daughter, Stephanie, of San Jose and Carl of Pasadena, a friend of Peter's. The week was spent water skiing, barbecues and dinners at the clubs.

Trip

Carl and Nina Sorensen spent a few days at the fair in Sacramento. Sure missed my usual little Sunday morning jaunt with Carl.

21st Birthday

Joellyn Ashton celebrated her 21st birthday on the September 4. There were parties every night in her honor. She left last Monday night for Salt Lake City where she will nurse at the Holy Cross Hospital and resume further studies. Birthday congratulations and lots of luck, Joie.

New York

Dave Miller of the Monte Carlo at Crystal Bay left for New York City a few days ago but will return to the lake shortly.

Leaving

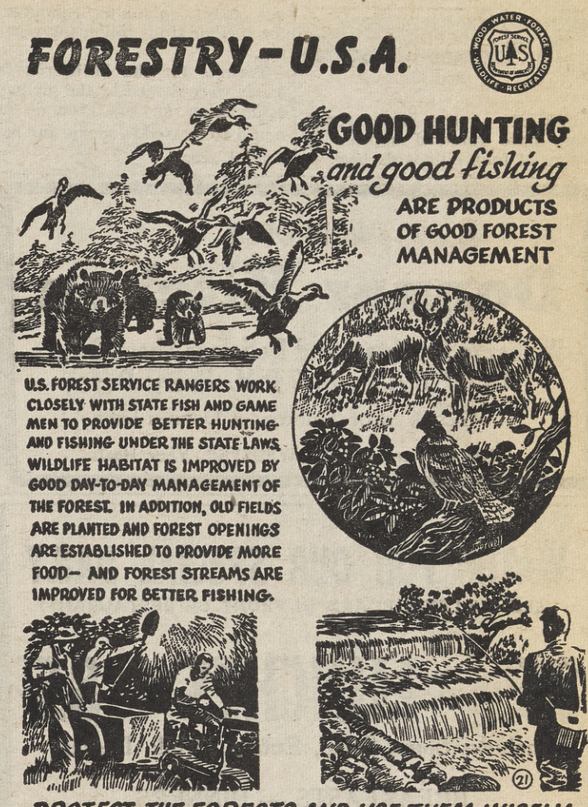
Lona and John Moore left last Monday for Princeton, New Jersey, where John will enter college.

Engaged

Now we hear that Nolan Little has become engaged to Carol McCauley of Kings Beach.

Caught Up With

Miss Norma Gale of Crystal Bay was arrested on a complaint made by a lady citizen. Upon being brought into court she was fined $75 for speeding and reckless driving on Brassie Avenue and many complaints coming in from residents on the side streets especially on Bear and Fox Streets. People must realize that there is a speed limit on the side streets as well as on the highway. These conditions are going to be rectified and this arrest will be followed by more. Watch Your Step.



FORESTRY-U.S.A.
GOOD HUNTING
and good fishing
ARE PRODUCTS OF GOOD FOREST MANAGEMENT
U.S. FOREST SERVICE RANGERS WORK CLOSELY WITH STATE FISH AND GAME MEN TO PROVIDE BETTER HUNTING AND FISHING UNDER THE STATE LAWS. WILDLIFE HABITAT IS IMPROVED BY GOOD DAY-TO-DAY MANAGEMENT OF THE FOREST. IN ADDITION, OLD FIELDS ARE PLANTED AND FOREST OPENINGS ARE ESTABLISHED TO PROVIDE MORE FOOD— AND FOREST STREAMS ARE IMPROVED FOR BETTER FISHING.
PROTECT THE FORESTS AND USE THEM WISELY

License

SACRAMENTO —(CNS) — The Contractor's State License Board announced it plans to issue a contractor's license for excavation, grading, paving, trenching and surfacing to Ernest M. Blackburn, Box 147, Al Tahoe.

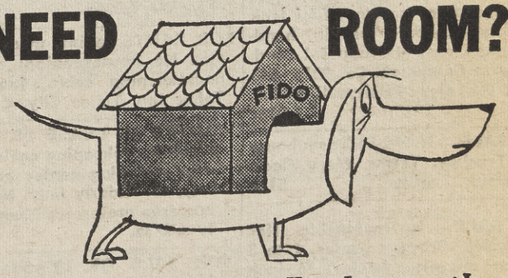
HOW TO CULTIVATE CURRENCY...

1. Decide how much money you'd like to raise.

2. Select a very safe and *productive* place to raise it —Bank of America!

3. Every pay-day, "plant" a fixed amount in your B of A savings account. We'll help it along with regular *bank interest.* And, almost before you know it, you're sure to have the cash-crop you need. Try it! Open a savings account here at our bank now.

NEED ROOM?



MAKE ROOM with a Timeplan Home Improvement Loan from Bank of America. Loans up to $3,500 are available for practically any type of home improvement. Add an extra bedroom, play area or den; make needed repairs; or put in the type of landscaping you've always wanted. *Remember— most improvements cost much less than the value they will add to your home!* Stop in and find out how *conveniently* and *easily* you can improve your home through *Timeplan!*

B of A Quiz Corner

DID YOU KNOW THAT you can *save automatically* with a Bank of America Checking Account? Simply authorize us to transfer a specified sum every month from your Checking Account to your Savings Account.

Billboard Problem Back To Planning Committee

AUBURN — The Placer supervisors have referred appeals by owners of four billboards back to the county planning commission for further study, following a hearing.

Permits for the billboards formerly were denied by the planning commission on the ground they would be located in scenic and residential areas.

JAY L. STUART WEDS SUZANNE KNOEFLER

TAHOE CITY— A wedding of interest to the young people of Tahoe City and Truckee took place in Minden, Nevada on Saturday, August 30 when Jay L Stuart of Tahoe City claimed as his bride Miss Suzanne Knoefler of Placerville.

Both young people attended the Tahoe-Truckee High School, Jay graduating in 1955 and Sue in 1956. Jay also attended Sierra College in Auburn.

The couple will make their home in San Francisco while Jay continues his course in the School of Pharmacy at the University of California Medical Center. Mrs. Stuart, formerly with the Bank of America in Placerville, has been transferred to the Divisadero and Hayes Branch of the Bank of America in San Francisco.

An open house to honor the newlyweds was held on Saturday afternoon at the home of the groom's parents, Mr. and Mrs. J. R. Stuart in Lake Forest. Miss Karen Knoefler, sister of the bride, and Mrs. Peg E. Dempsey, sister of the groom, presided at the refreshment table after the bride had cut the first piece of the wedding cake for her husband. Above the gift table hung a heart-shaped net pillow, into which the bridegroom stuffed the ribbons as the bride opened their many lovely gifts.

Out-of-town guests included the bride's parents and sister, Mr. and Mrs. D. A. Knoefler and Karen of Millerton Lake State Park, Friant; Mrs. Pat Spinig of Fair Oaks; and Mr. and Mrs. W. T. Stuart and daughter, Madge, of Wakita, Oklahoma, who were houseguests at the Stuart home.

Notary Public

SACRAMENTO —(CNS) — Secretary of State Frank M. Jordan announced the issuance of a notary public commission to Robert C. Wilson, P. O. Box 186, Stateline.

TAHOE CEDARS GROUP FORMS ORGANIZATION

TAHOE CEDARS—Approximately 30 home owners in the Tahoe Cedars Tract last week organized the Tahoe Cedars Property Owners association, President Louis Celia announced this week. The organizational meeting was held in Celia's home at the corner of Pine and Seventh avenue in Tahoe Cedars.

Purpose of the new organization, Celia explained, is "for preserving the rights incidental to ownership in the Tahoe Cedars Tract and for the betterment of conditions throughout the tract, and for the enforcement of restrictions as written in deeds by former owners and subdividers of the property."

He said the association will endeavor to promote the interests and welfare of all of Lake Tahoe, as well as for tract owners and association members.

At last Friday's meeting, a slate of officers, headed by Celia, was elected to serve until the organization is completed next year. Other officers are Ralph Stanley, vice president; and Dorothy Bushey, secretary-treasurer. Members of the board of directors are Cliff Anderson, Vincent Bushey, Florence Whithem and May McLean.

SALESMAN AT TAHOE BELIEVED SUICIDE

TAHOE CITY — A salesman, identified as Joe Corollo, 35, of San Francisco, was found dead of carbon monoxide poisoning in his car in the Tahoe Park vicinity last week.

Coroner Francis West pronounced the death a suicide after an investigation. He said a hose had been attached to the exhaust and led into the car.

A suicide not was found, addressed to his wife. It said in part: "I cannot go on any longer. Please forgive me."

Morning Worship: 11:00
Youth groups: Monday evening at 7:00.

As autumn creeps upon us we become aware of the fact that we must prepare for winter. Most of us are now engaged in taking the necessary precautions. It is well for us to realize that a time of winter comes into the personal life just as surely as a time of winter comes in the revolution of the seasons. Sooner or later in every life there comes a season of tragedy, of sorrow, of disappointment. Pastor Taylor will discuss the necessary precautions for such a time in Sunday's sermon entitled "Prepare for Winter."

CATHOLIC CHURCH

Father Patrick O'Neill announced this week that Mass schedules for the month of September will be as follows:

Assumption Church at Truckee, Sunday Mass, 9:30 a.m.; daily Mass, 7:15 a.m., Confession Saturday evening, 7 to 8 p.m.

Corpus Christi Church at Tahoe City, Masses 8 and 11 a.m. Confession, 3:15 to 4 p.m. on Saturday.

Our Lady of the Lake at Kings Beach, Masses at 8 and 11:30 a.m. Confession, 2 to 2:45 Saturday afternoon.

Father O'Neill also said that Sunday Masses after September, until the beginning of the skiing season will be held as follows:

Truckee church, 9:30 a.m., Tahoe City at 8 a.m., and Kings Beach at 11:30 a.m.

TRUCKEE BIBLE CHURCH
Non-denominational
Pastor: Roy S. Rhoades

Our mid-week service is still being held at 8 p.m. Power Hour includes singing, Bible study and prayer time. Friday afternoon at 3:30 KYB Club will meet at the home of Mrs. Wm. Englehart, Jr. Mel and Roena Moore have charge of this activity as well as Teen-Time which will be held at 7 p.m. Friday evening at the church.

Sunday School starts at 10 a.m. with graded classes. The message for the morning worship hour will be "Christ, Our Intercessor". Christian Cinema will show "Workers Together with God" at 7:30 Sunday evening.

PATRONIZE LOCAL STORES

GATES OPEN

TAHOE CITY — Five gates have been opened into the Truckee river and Monday the level of Lake Taho was reported at 6228.68 (provisional-subject to revision). The storm Sunday brought .30 of an inch of rain to Tahoe City. The temperature has varied from a low of 45 to a high of 74 during the week.

OFFER OF SCOUTS IS ACCEPTED BY 1960 OLYMPIC COMMITTEE

An offer by the Tahoe Area Council, Boy Scouts of America, to provide 100 Explorer Scouts for service at the 1960 Winter Olympics at Squaw Valley was accepted by the Olympics Organizing Committee.

In the organizing committee's reply to Robert Fitzpatrick, Tahoe Council executive, Alan D. Ewen, assistant executive director of the committee stated:

"In behalf of the organizing committee I would like to tell you of our sincere appreciation and our genuine gratitude for your offer to provide 100 Explorer Scouts for service in the Olympic facilities at Squaw Valley during the games in 1960."

"We believe this is an outstanding service project and that participation in the games by the Tahoe Council in this way will do much to contribute to the success of this great internation celebration."

"We are most pleased to accept the very generous offer of the council and we assure you that the organizing committee will do its utmost to provide a very worthwhile education experience for all Scouting personnel concerned."

The committee, at the time, authorized the Tahoe Council to use the official symbol of the eighth Olympics on stationery for promotional purposes. The committee requested that the symbol be reproduced truly and that it not be used to sponsor the sale of goods and commodities.

Fitzpatrick also requested authorization to use the symbol on T-shirts and is shoulder patches. This possibly will be permitted, providing manufacturer is licensed by the U.S. Olympic Association.

Ewen stated: "I feel sure that the committee would approve of this use of the symbol and would forward your correspondance to the association so they might develop a license contract with manufacturers concerned."

The Tahoe Council was asked to make a specific request and submit the names of manufacturers who might be interested in producing the symbols.

Fitzpatrick stated earlier that the Explorers would serve as messengers, scorekeeper assistants, parking lot personnel, auxiliary ski patrols, guides or in any way they could be of service.

HILLINGS DEMANDS BAN ON OBSENE MAIL

Congressman Pat Hillings of California said today that postal authorities are primed to start a major crackdown against those using the United States mails to distribute obscene and salacious material.

Hillings conferred with Postmaster General Arthur Summerfield before leaving Washington on the postoffice department's plans to take advantage of new anti-smut legislation which has been signed into law by President Eisenhower.

"The postmaster general and his staff have assured me that this new law providing stiffer penalties for offenders will be an important weapon in the fight against smut and that the department now is ready to go in the campaign to curb the flow of filthy literature in the mails," Hillings said.

Hillings introduced a resolution in the House of Representatives two years ago that resulted in the new anti-smut law which arms postal authorities with a stronger law and clear-cut procedures for the prosecution of offenders.

"This new law stands as a tribute to hundreds of church groups, civic organizations, newspapers, parents and individuals in California who gave this drive against smut their full and tireless support," Hillings said.

STRICTLY STRICKLAND

By Bill Strickland

It's an amazing thing that a person isn't able to write a few words once a week to keep a column from becoming extinct; but you'd be surprised how easy it can be not to put words on paper. Time cannot be used as an excuse any more, or I should say lack of time, because from what I've been told, time is one thing that I'll have plenty of for the next two or three months.

The mountain top hasn't changed from the standpoint of its residents. But there has been a big physical change. The four-laneing between Rainbow and Soda is really taking shape. Huge granite outcrops are gone. Thousands of trees have completely disappeared. Buildings have been transplanted, bridges are taking shape. In fact by mid-summer next year careful scrutiny will be necessary to even know where the old highway once was.

Sierra lakes have enjoyed a banner summer. It has been especially popular with the younger set.

Donner Summit Lodge, Beacon Hill Lodge and Soda Springs Hotel have been busy. The entire summer was devoted to supplying the needs of the many construction workers in the area.

The Pla-Vada subdvision is really beginning to take shape. The model home is complete, one new home is under construction, and several lots have been purchased for future development.

Kit Schull and Dean Boyer have left for Colorado to begin their college education. Fred Secco has left the crest to complete his final year of high school in San Francisco, and by the time this is printed, adult vacation time will have started, what with all of the local schools again being in session. We welcome our two new teachers to Donner Trail School. But we feel they should be fore-warned of their future. After all, their young charges have worn out six of their predecessers in the past five years.

Rumor has it that Helen Reynolds has leased her lovely home to the Berkeley Ski Club for the winter season.

Lee and June Forster will operate the Snowflake this coming winter. They'll combine it with their skate and ski shop.

The Soda Springs Ski Corporation is installing a T-bar lift to use the slopes of the Old Forked Tree Hill.

Dennis Jones is planning a cafeteria development with all of its accoutrements to be located between the J-bar and chair lift.

Other than the above there has been plenty happening, but we have to save something for next week.

Then of course there's the story of the youngster who had been called "Little Man" all of his life. Upon returning home from his first day of school, he was asked:

"And what did you learn in school today?"

He replied, "I learned my name was Johnny!"

Son At Monterey—

Mr. and Mrs. Victor Cassidy of Monterey became parents September 3 of a boy named Gregory Alford. Cassidy is the son of the late Bert Cassidy and Mrs. Cassidy of Auburn, the family lived here a number of years ago.

IN THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA

Adjourned Meeting
August 14, 1958
Present: John T. Trauner, Clerk

The meeting was called to order at 10:07 A.M. by the Chairman of the Board and all members of the Board were noted as present.

The minutes of the meeting of August 1, 1958 were read to the Board by the Clerk, and a motion was made by Supervisor Bishop, duly seconded and passed unanimously, approving the minutes as read.

Mr. Floyd Pond, County Probation Officer, appeared before the Board and requested the Board reconsider his request for $600.00 for a two-way radio that had been denied in the Preliminary Budget. After a discussion, a motion was made by Supervisor Bishop, duly seconded, directing the Auditor to transfer the sum of $600.00 from Unappropriated Reserves to the Probation Officer's budget for the purchase of a two-way radio for that department. Upon a roll call ballot a unanimous vote was recorded.

The County Auditor presented the Board with proposed Resolution No. 58-35, said resolution was a breakdown of the amounts of moneys needed for the maintenance of the County of Nevada for the ensuing fiscal year and the general tax levies thereto. A motion was made by Supervisor Smart, duly seconded, to adopt Resolution No. 58-35, and upon a roll call ballot a unanimous vote was recorded.

At the request of the County Auditor a discussion was held on the proposed advance cash policy adopted by the Weimar Board of Directors. The matter was deferred until the afternoon session.

The County Welfare Director appeared before the Board and entered into a discussion on nontubercular cases being admitted to Weimar. The Board stated that any admittance of Nevada County residents to Weimar for any chest condition would be left to the opinion of Dr. Reed, the County Medical Director.

Mrs. Worth then requested that she be allowed to attend the convention of County Welfare Directors in San Luis Obispo on September 17th-19th, and a motion was made by Supervisor Bishop, duly seconded, to authorize the attendance of Mrs. Worth to the convention. Upon a roll call ballot a unanimous vote was recorded.

Sheriff Wayne Brown appeared before the Board and requested authority to recruit two Deputy Sheriffs in the Truckee area on the second step of the Salary Ordinance. Sheriff Brown informed the Board that the two people in question were both experienced law enforcement officers and he feels that they should be hired at the second step at $341.00 per month. A motion was made by Supervisor Bishop, duly seconded, authorizing the recruitment of such deputies and upon a roll call ballot the following vote was recorded:

Supervisor First District aye
Supervisor Second District aye
Supervisor Third District no
Supervisor Fourth District no
Supervisor Fifth District aye

Because of the need of a four-fifths majority vote, the motion was defeated.

The Sheriff entered into a discussion relative to the purchase of a patrol car in Truckee, and permission to purchase such a car was granted and the matter was referred to the Purchasing Agent.

Mrs. Worth again appeared before the Board and requested that the Welfare Committee of the Board of Supervisors meet with her at their earliest convenience.

At this time the Weimar question on cash advance policy was again discussed, and a motion was finally made by Supervisor Coughlan,, seconded by Supervisor Bishop and passed unanimously, that there would be no advance payments of County moneys to Weimar Chest Center and that the County would continue to pay the bills as they accrue.

A proposal to sell to the County some property owned by the Truckee Public Utility District was read to the Board by the Clerk, and it was referred to Mr. Stan Halls, Chairman of the Nevada County Building Committee.

A discussion was held with the Auditor relative to the rewording of the County Salary Ordinance relative to certain amendments thereto, and the Auditor was instructed to get in touch with the legal counsel for the Board to incorporate all the necessary amendments.

At this time the Board adjourned for lunch to reconvene at 1:30 P.M.

AFTERNOON SESSION:

The Board reconvened at 1:40 P.M. and it was noted that all members of the Board were present.

A letter from a Nellie Pewoyer demanding the settlement of a $5,000.00 claim was referred to the District Attorney for investigation and reply.

Mr. William Helphinstine appeared before the Board and requested the Board authorize Mr. Hamilton of his office to attend a tour of the Hood River Oregon Apple District and various orchards in the state of Washington on September 7th, for an absence of about one week. A motion was made by Supervisor Bishop, duly seconded and passed unanimously authorizing such a trip.

The Auditor pointed out to the Board at this point that there was on file a resolution that the County would not pay for expenses of any out-of-state travel.

Mr. Earl Rickard, Constable for Nevada City, appeared before the Board and requested permission to attend a convention of Constables. A motion was made by Supervisor Bishop, duly seconded and passed unanimously, authorizing the attendance of Mr. Rickard at the Convention at Hoberg's on September 13th and 14th.

Mr. Joseph O'Connor, County Surveyor, appeared before the Board and presented the Board with 3 sets of the School District Precinct maps. A general discussion ensued with the County Clerk and the Surveyor relative to the need of revising the precincts lying around the cities of Grass Valley and Nevada City that have been effected by certain annexation proceedings, and also the need for the division of the Rough & Ready precinct into two separate and distinct precincts.

A motion was made by Supervisor Bishop, duly seconded and passed unanimously, directing the Clerk to issue a minute order to Mr. O'Connor, directing Mr. O'Connor to immediately do the preparatory work of these precincts and their attendant legal descriptions.

At this point a general discussion ensued on the services of the presently employed County Expert. The services that were pointed out at this time were:

1. Advisory service to all County officials.
2. The development of auditing and accounting procedures in all County departments.
3. Special investigations and audits that may be ordered by the Board.
4. For all budget analysis and control.

A general discussion ensued relative to these points and the feasibility of including a County Audit in the required services. Mr. Brown, the California Taxpayers Association representative, appeared before the Board and stated that he felt the present services and the scope thereof were satisfactory and complimented the Board on the final budget that they had adopted. Mr. Brown also suggested that the title of the position be changed from Couny Expert to that of Finance Director. A motion was then made by Supervisor Bishop, duly seconded and passed unanimously, to continue the services of the newly created position of Finance Director for the fiscal year 1958-1959 with the understanding that the said Director is a representative of the Board of Supervisors.

At this time, Mr. Robert Graham appeared before the Board and rendered the road report for the month of July. The report was accepted and ordered filed.

A Mr. DeWitt from the Wolf District appeared relative to an embankment on his property, and a motion was made by Supervisor Bishop, duly seconded and passed unanimously, directing the Clerk to issue a minute order to the Road Commissioner directing the said Commissioner to repair the drainage problem on the DeWitt property on the Wolf Road.

There being no further business to come before the Board at this time, a motion was made, duly seconded and passed unanimously, to adjourn Sine Die.

School's Open Again; Motorists Warned To Be Extra Cautious

"Watch out for children who may not be watching for you," the California Highway Patrol reminded motorists today, urging that all drivers review traffic laws relating to the safety of school children.

"Youngsters throughout the state are returning to school after a carefree summer," stated Commissioner B. R. Caldwell. "With them will be many children starting off to school for the first time.

"The little ones are unpredictable and may dash across the street or from behind a parked car at any time," he reminded. "Each driver must exercise extreme caution and obey all traffic laws to avoid striking an unsuspecting child who may not be watching traffic.

"A concentration of bicycle riders will also be found near schools," he added, "making special alertness on the part of every motorist absolutely necessary."

Caldwell also cautioned parents to review the rules for safe walking and safe bicycle riding with their children and urged that mother or dad help plan the safest route to school for those starting for the first time.

John Adams, second president of the U.S., once volunteered to fight with the Marines during a sea engagement in 1778.

AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO —(CNS) — The long awaited investigation of the public school system in California appears to be about to get under way.

The legislature, by resolution, authorized the study by a joint committee of both houses and appropriated $50,000 for the project. After several months of wheel spinning, due to primary campaigns and the party conventions, the joint committee finally held an organization meeting Aug. 15, and, meeting a week later, appointed a 27-member citizens advisory commission to aid it in the survey.

The investigation was one of the products of the 1958 legislative session which was opened to include educational topics. While bills supported by Gov. Goodwin J. Knight would have broadened requirements for teaching of mathematics and science were introduced, they hardly got off the ground. Some fringe type legislation, dealing with specific items of education, was approved.

However, in the main, the general subject of the public schools and whether they were producing the proper graduates with the taxpayers' money was left unsettled. The current study may provide some of the answers.

The investigation, as all such studies go, is doomed to disappoint many persons before it even starts. Those who have been heaping criticism on the present reign of the educationists since Sputnik, will continue to do so, no matter what the report concludes. Those who think the present methods are justified, including personnel in the state department of education, will probably go on their way, regardless of what the report said.

During the organizational meeting of the joint committee, Sen. Nelson S. Dilworth (R-Hemet), one of the senate's education experts, noted that the committee should steer clear of too many educators when choosing members of the advisory commission. Dilworth said it wouldn't do to have the professional educators investigating themselves.

As the joint committee selected the membership of the advisory commission in secret session, it was difficult to tell just who was represented among the 27 members, although a first glance would indicate a fair cross section of the public has been named.

The list includes Dr. Robert Gordon Sproul, former head of the University of California, Dean I. James Quillan of Palo Alto and a number of others who probably are associated with higher education.

It included at least one newspaperman, Charles Randolf, editor of the Oroville Mercury, Judge John Bussey, San Francisco, and G. G. Rowland of Sacramento, lobbyist for an employer's council.

Perhaps one of the most interesting names found on the list of members is that of Mrs. John Allen, Sutter Creek. Mrs. Allen caused quite a stir in the capitol some months ago when she and her husband came to Sacramento to talk over education with Dr. Roy Simpson, state superintendent of public instruction.

Mrs. Allen reported she and her husband were rebuffed somewhat by Simpson, who said, as laymen, they were not qualified to talk about curriculum and education in general. However, Mrs. Allen apparently disagreed as she discussed education at some length with members of the press.

Gist of the talk was that she had a son who drew straight A's in school, but, as far as she could tell, didn't know a thing.

If for no other reason, Mrs. Allen's presence on the advisory commission should result in some interesting meetings.

NOTICE TO CONTRACTORS

NOTICE IS HEREBY GIVEN that the TAHOE-TRUCKEE UNIFIED SCHOOL DISTRICT, Counties of Placer and Nevada, State of California, hereinafter referred to as the owner will receive up to but not later than 8:00 P.M. on the 16th Day of September, 1958, sealed bids for the award of a contract or Contracts for development of a portion of the Tahoe-Truckee High School including grading and turfing for an athletic play field and the installation of an iron culvert bridge, near Truckee, Nevada County, California. Such bids shall be received at the Office of the Superintendent, Tahoe-Truckee High School, U.S. Highway No. 40 near Truckee, Nevada County, California, and shall be opened and publicly read aloud at the above stated time and place.

IN ACCORDANCE WITH THE PROVISIONS of Articles 1 and 2 of Chapter 1, Part 7, Division II of the Labor Code, and Local Laws thereto applicable, the Owner has ascertained the general prevailing rate of wages in the locality in which this work is to be performed, copy of which rates are as follows:

Craft Classification	Hourly Wage Rate	Per Diem Rate	Holidays & Overtime
Laborers	$ 2.685	$ 21.58	*
Carpenters	3.375	27.00	
Power Grader, Power Planer, Motor Patrols or any type Power Blades	3.75	30.00	
Truck Drivers:			
Dump Trucks & Dumster Trucks:			
Under 4 yds (water level)	2.75	22.00	
4 yds & under 6 yds (water level)	2.89	22.32	
6 yds & under 8 yds (water level)	3.10	24.80	
8 yds & over (water level)	3.35	26.80	
Water Trucks:			
Under 2,500 gallons	2.925	23.40	
Over 2,500 gallons	3.025	24.20	
Tractors	3.55	28.40	

OVERTIME Saturdays, Sundays and Holidays — time and one-half unless otherwise shown.

*Time and one-half except Sundays and holidays, which shall be at the rate of double time.

Each bid must conform to the Requirements of the Drawings and Specifications and all other Documents comprising the Contract Documents. The Contract Documents may be examined and copies obtained at the Office of the Architect, GORDON STAFFORD, 1024½ J Street, Sacramento, California, and at the Office of the Superintendent, Tahoe-Truckee High School, U.S. Highway No. 40 near Truckee, California.

No bid will be considered unless it is made up on a form provided by the Architect and accompanied by certified check, cashier's check or bidder's bond for 10% of the amount of the bid, made payable to the Owner. The above-mentioned checks or bid bond shall be given as a guarantee that the bidder shall execute the Contract if it be awarded to him in conformity with the Contract Documents and shall provide the surety bond or bonds required within 5 days after notification of the award of the Contract to the bidders.

The successful bidder will be required to furnish a Labor and Material Bond in an amount equal to fifty percent (50%) of the Contract price, and a Faithful Performance Bond in an amount equal to one hundred percent (100%) of the Contract price. Said bonds shall be secured from a Surety Company satisfactory to the Owner.

The Owner reserves the right to reject any and all bids and-or waive any irregularities or informalities in the bidding.

Dated this 25th day of August, 1958.

JOHN A. CORBIN
Secretary of the Governing Board of the TAHOE-TRUCKEE UNIFIED SCHOOL DISTRICT, Placer & Nevada Counties, California.

OFFICIALS SEEK BAN ON TAHOE SEWAGE

A group of state and local officials has recommended that no treated sewage effluent be allowed into Lake Tahoe or any of its tributaries.

The officials made their recommendations at a meeting of the California delegation to the California-Nevada Interstate Compact Commission.

Officials who testified are Jack C. Fraser, water projects coordinator of the state fish and game department; Dr. Albert Moreno of the Placer County Health Department and J. T. Leggett of the Lahontan Regional Water Pollution Control Board in Bishop, Inyo County.

Each said there is an immediate need for expansion of sewage treatment facilities to insure the quality of Lake Tahoe water is not lowered.

Leggett said a proposal to pump sewage from the south end of the lake over the mountains into the Carson River drainage basin is probably the best solution, but he agrees the loss of water to the Tahoe basin would be serious in the water-short area.

The three officials recommended the treated effluent be pumped on to land storage areas where the water would be filtered back into the usable water supply.

The commission expects to include sewage disposal regulations in the interstate compact now being negotiated between California and Nevada.

WELCH APPOINTED AS HILLINGS CHAIRMAN

Harold M. (Hal) Welch today was appointed chairman of the Nevada County Committee for Pat Hillings for attorney general, it was announced by Vincent Cullinan, Northern California chairman.

Owner of the Donner Lake Lodge, Welch, 38, is chairman of the board of the Truckee Public Utility District, a member of the board of trustees of Sierra College at Auburn, a past-president of the Truckee Chamber of Commerce, and active in other civic and charitable affairs.

A graduate of the University of Washington where he received his A.B. and M.A. degrees, Welch served in the navy as a chief petty officer, during World War II.

"I am happy to have been appointed chairman of Nevada County for Pat Hillings' campaign," said Welch. "Hillings' outstanding record both as congressman and attorney make him the ideal candidate for attorney general of California."

At Santa Clara—

Dorothea and Varien Frey returned home Monday after visiting their brother and sister-in-law, Mr. and Mrs. William Frey at Santa Clara.

BIDS ARE CALLED TO MOVE NYACK LODGE

The division of highways today called for sealed bids for Nyack Lodge located on Highway U.S. 40 near Emigrant Gap. The bids will be opened in the division's Marysville office at 10 a.m. on October 1 this year.

The lodge is located on property acquired for the development of Highway 40 to a four-lane freeway in this section. The building must be removed from its present location by August 1, 1959.

Highway officials said that the sale involves only the hotel building and fixtures contained therein. The oriental rugs, pictures and other hanging wall ornamentation are not included in the items offered for sale. The successful bidder must furnish a faithful performance surety bond in the amount of $5,000 prior to October 15 of this year.

Bidders must enclose a certified check or cashiers check in the amount of 25 percent of the bid with the purchase offer and the balance of the bid, plus sales tax, must be paid on, or before, October 15. Checks of unsuccessful bidders will be promptly returned. No personal checks can be accepted.

Bids should be addressed to the division of highways, P. O. Box 911 in Marysville and be plainly marked "R|W Bid for Improvements to be Opened 10 A.M. October 1, 1958."

S.A. OFFICIAL HERE FOR LOCAL MEETING

Mrs. May Lindsay, welfare supervisor of the service extension department for the Salvation Army, was here from San Francisco Tuesday to meet with the local committee, headed by N. F. Dolley.

The meeting was held at Hotel Truckee and the discussion centered around the local program, for assistance to needy persons and other details connected with the work. The official expressed appreciation for the work being done in this area and complimented the committee for its efforts.

MARTIN APPOINTED

Pat Martin, former secretary to Governor Goodwin J. Knight, and president of the California Public Relations Council, has been named area director for the Sacramento-San Joaquin region for the Citizens' Committee Against Propositiontion 18. Martin's appointment to conduct professional, political public relations aspects of the campaign was announced by Gordon Schaber, dean of the McGeorge College of Law in Sacramento, and chairman of the Citizens' Committee Against Proposition 18.

SMARTS AT LASSEN

Mr. and Mrs. Reg Smart and children returned from Mt. Lassen National Park where they spent several days exploring the area.

Joyce, five year old daughter of the couple accompanied the family on their horse back trips, adjusting to the new experience like a veteran rider.

Doles to Capital—

Mr. and Mrs. Merle Dole and children who have spent the season here are returning to Sacramento.

Smith from Arcata—

Charles E. Smith now has a Truckee address, returning from Arcata.

NOTICE OF HEARING
LAND USE VARIANCE
KAILUA PARK No. 4

Notice is hereby given by the Placer County Planning Commission that hearings will be held by said Commission on September 26, 1958, and October 10, 1958, in the Supervisors' Room, Courthouse, Auburn, California, at the hour of 10:00 A.M. to consider an application for a variance to build a model home for use as a sales office on residential Lot 2, Block 1 of Kailua Park No. 4. Said variance is requested for a period of four years only.

At said hearings all persons in favor of the granting of said variance and all persons opposed thereto may be heard.

GORDON COLLINS, Secretary
Placer County Planning Commission
NANCY CAPERON, Clerk of said Commission

Dated: September 2, 1958
Publish: September 11, 1958

NOTICE OF HEARING
LAND USE VARIANCE
AGATE BAY SUBDIVISION

Notice is hereby given by the Placer County Planning Commission that hearings will be held by said Commission on September 26, 1958, and October 10, 1958, in the Supervisors' Room, Courthouse, Auburn, California, at the hour of 11:00 A.M. to consider an application for a variance to place sign adjacent to real estate office, area of 18 square feet. Regulation now requires maximum of three square feet. Said variance is requested to replace an existing sign on Lot 1A, Agate Bay Subdivision, Lake Tahoe.

At said hearings all persons in favor of the granting of said variance and all persons opposed thereto may be heard.

GORDON COLLINS, Secretary
Placer County Planning Commission
NANCY CAPERON, Clerk of said Commission

Grandma Moses Lives With Winona Fisher

Grandma Moses, foremost primitive painter reached 98 years at Eagle Ridge, New York where she makes her home with Mrs. Winona Fisher, her daughter who was a former resident of Truckee.

The artist lives in the Rensselaer County comunity near the Vermont state line where she has done much of her paintings.

MARRIED

The marriage of Mr. and Mrs. Lyman Griswold of Reno was recently announced. The bride is the former Portia Hawley, head of the Washoe county library and a graduate of the University of Nevada. Griswold is a former resident of Lake Tahoe and a graduate of Colgate University at Massachusetts. The couple will make their home at Reno.

Address Changes

Changing address for the coming months was a note from Mrs. Harry Street of Crystal Bay, Nevada to Sacramento and Mrs. Emily Lindenfeld is leaving Meeks Bay for Fillmore. The P. A. Stokes of Tahoe Vista are going to Ysidra for an indefinite visit and E. M. Frost who has been summering at Kings Beach will spend the winter in Fontana.

Visits Brother—

Dr. R. E. Brownell, orthodontist of Salinas, visited his brother, Jack Brownell of Truckee after attending the convention at Cal Neva Lodge.

WOMEN'S CLUB HAS RESUMED PROGRAM

TAHOE CITY— The Tahoe Women's Club at Tahoe City is resuming its activities for the season by opening a drive for good, wearable clothing and shoes to be distributed to needy disabled war veterans and their families in the Reno and Pickle Meadows, Nevada district.

Mrs. Howard Guth is chairman of the project and the following have been named as receiving places for the worthy service: Warren Porter's Store, Village Store, Kehoe's and Jack and Denny's stores.

The club members will hold their next meeting October 2 at Tahoe Inn, Tahoe City. The luncheon-meeting held September 4 in the Tradewinds at Kings Beach was well attended by members and their guests who heard Mrs. Friday, distinguished guest speaker, on the duties of officers.

Visiting Here—

Mr. and Mrs. Tom Roff of San Diego are visiting with Mrs. Jessie L. Ray at her home on the Truckee river for two weeks.

Reenters School—

Mr. and Mrs. E. L. Loynd were in San Francisco this week where their daughter, Judy, reentered San Francisco State College.

Visit Here—

Tom Buell and William Stewart of Grass Valley were Tuesday visitors. Buell seeing a number of his friends here.

GIRL SCOUT ROSTER FILLED; APPLICANTS MAY SUBMIT NAMES

The first Truckee neighborhood meeting for all registered Girl Scout adults and any others interested in Girl Scouting will be held in the Tahoe Truckee Unified High School Tuesday, September 16 at 7:30 p.m.

The registered adults and their respective registered girls are as follows:

Brownie Scout Troop No. 130— Cathy Braley, Diana Daly, Shirley Davis, Michele De Lisle, Gale Englehart, Sandra Ferdinand, Michele Harris, Cathy Hart, Karen Hedlund, Judy Ingle, Pamela Horman, Ronda Mauzey, Mary Ann Moore, Jenifer O'Bear, Susie Olano, Linda Russell and Koral Sauby.

Mrs. Fred Pedley is the leader and the Troop committee is Mesdames Lauren Russell, Dan Horman and Kenneth Hedlund.

Intermediate Girl Scout Troop No. 131— Leilani Braasch, Deborah Ellis, Bonnie Fair, Liane Kay, Dawn Maynard, Dianna Pankoke, Joyce Randall, Rowena Schuler, Susanna Sciutto, Carolina Urbina, Kathy Braasch, Anna Marie Collier, Yvonne Johnson, Susie Schuler, and Karen Reid.

Mrs. Fred Pedley is the leader and the Troop committee is Mesdames Chas. Kay, Cliff Ellis, Wm. Randall, Lester Braasch and Carroll Maynard.

Intermediate Girl Scout Troop No. 132— Linda Banyard, Linda Giovannoni, Judy Giovannoni, Marcia Leamon, Judey McGwinn, Donna MeReynolds, Anne Mori, Ruth Parkhurst, Lynne Quartly, Dorette Rose, Sara Van Sickle, Karen Walker, Kathleen York, Myrna Hall, Willana Curran, Sherrie Curran, Susan Monroe, Cynthia Reynolds and Patricia Shane.

Mrs. Robert Leamon is leader with Mrs. Frank Giovannoni as co-leader. The Troop committee is Mesdames Dave Rose, P. Patnoude, Rex Reid, L. W. Stevenson and Lee Apple, Roy Saarni, Ben King, Z. D. Rose and B. G. Bellotti.

Inasmuch as the National Girl Scout policy limits the number of girls in a Brownie Troop to 16, registration in Brownie Troop No. 130 is now closed.

Girls interested in becoming Brownie Scouts can contact Mrs. Kenneth Hedlund, Truckee Neighborhood Troop Organizer. As soon as the waiting list reaches the required number, another Brownie Troop will be formed. Girls interested in registering in the Intermediate or Senior Scout programs will also please contact Mrs. Hedlund. Brownie Scouts begin at the age of 7 years and Intermediate Scouts in the 5th grade.

... and it cost so little!

Tarzan®

by EDGAR RICE BURROUGHS

AT LONG LAST, THE NATIVES OF MADORA COULD REJOICE-- TARZAN HAD FREED THEM FROM THE TERROR OF *TA-HU!*

AFTER KILLING THE MIGHTY WHALE, TARZAN ACCEPTED THANKS FROM THE NATIVES THEN BID FAREWELL.

AGAIN HE WAS CAUGHT BY THE SPIRIT OF WANDERLUST, AND AGAIN THIS SPIRIT GUIDED HIM TO PERILOUS ADVENTURE--

FOR, UNKNOWINGLY, HE HEADED TOWARD A DISTANT PLATEAU, UPON WHICH WAS BUILT A MYSTERIOUS AND FORBIDDING ENCLOSURE!

HERE WAS A WORLD APART FROM THE OUTSIDE, PEOPLED BY A FEW NATIVES AND A STRANGE WHITE MAN--
